Adverse Weather Conditions

The school will be open unless a message to the contrary is communicated via ParentPay or Schoolcomms email, radio and/or the Authority website.

Information regarding school closures is available from a number of sources;

- An email using ParentPay or schoolcomms
- School Facebook Page

Attendance Matters

Today you will be receiving your child's attendance report for the Autumn term.

Evidence suggests that there is a strong link between good school attendance and pupils reaching their potential and maintaining peer relationships.

We hope you will continue to work with us to ensure your child's attendance is the highest it can possibly be.
