Taron Egerton

Date of Birth
10 November 1989

Place of Birth
Birkenhead, England

Famous for
Acting

Who Are They?
A Welsh actor who won a Golden Globe award for his role as Elton John in the film 'Rocketman'.

Life
Taron was born in Birkenhead where his father ran a bed and breakfast and his mother was a social worker. His parents separated when he was a child and he moved with his mother to Wales, initially to Anglesey and then to Aberystwyth. After attending Ysgol Penglais School, he followed his dream of being an actor and attended the Royal Academy of Dramatic Art where he graduated with honours in 2012.

He was soon cast in the film 'Kingsman' which was extremely succesful. He went on to act in several other films before being cast as the title role in 'Eddie the Eagle', a film about the true life story of a British Olympic ski-jumper.

Interesting Fact
Taron is the voice of Johnny Gorilla in the animated film 'Sing'.

We regularly share the lives of Welsh people past and present who continue to inspire us and make us proud to be Welsh. This week we have been learning about Taron Egerton.

Welbeing

This week, Dosbarth 5 took part in a fantastic drama workshop with Jo from Shine Drama Workshops. They got to explore the life of an Atlantic Leatherback turtle. They used drama to show its migration journey and worked together to move around the hall showing how plastic pollution in the ocean can affect the turtle! They also had a super P.E session with Stacey from Ffit Conwy. They were; working on their balance, using their throwing skills, jumping, and practising their aim with golf. They had lots of fun and worked hard throughout the circuit!
