This week, Dosbarth 10 have continued to enjoy and benefit from all the opportunities we have been given to promote our health and wellbeing.

They have thoroughly enjoyed their rugby sessions with Mr Meyers and his Year 11 team from Emrys ap Iwan. They have demonstrated excellent team work, great 'sportsmanship' and skill.

We have had our last session with Action For Children 'Bounce Back Extra' where we have been focusing on building our resilience skills and how to express our emotions. The class have thoroughly enjoyed these sessions and have loved sharing their ideas and experiences.

In addition, during our wellbeing sessions, we have been discussing the changes that happen to us as we grow up. The pupils have demonstrated maturity and understanding.
