# Hallowe'en and Bonfire Night Nos Galan Gaeaf a Noson Tân Gwyllt

This year in Wales, the Police and Fire Service are launching their annual Halloween and Bonfire Night Safety Campaign.

They are asking everyone to think about the way they celebrate Halloween and Bonfire Night.

Their messages are about encouraging you to **respect** each other, **protect** the emergency services, and **enjoy** safely.

Staying safe and not adding extra pressure to the emergency services is important.

## Hallowe'en Disco

A big thank you to our PTA and staff for putting on a fabulously spooky disco. It was a great success and was wonderful all the amazing costumes. Thank you so much to everyone who supported this brilliant event.

## Library Visit

Dosbarth 10 had a fantastic morning in Abergele Library. They learnt about the library systems and enjoyed some quizzes. They had a great time and are now more inspired to join the library and read more books.

## Black History Month

**BLACK HISTORY MONTH**

Black History Month 2023 is a momentous occasion to recognise and celebrate the invaluable contributions of black people to British society. The Upper School have been researching a black history timeline of Wales and individual black people who have made significant contributions to Wales.

This week, in Dosbarth 8 during our Wellbeing lessons we have been exploring our feelings and putting colours to them.

- Red for an uncomfortable feeling.
- Green for a good feeling
- Yellow for in-between

We then created top tips on how to use our very own toolkit whether that be physical such as fidgets, special - something unique to us, thinking and relaxation like using our breathing techniques to help with red or yellow feelings.

We recorded them on Flip or emailed them using our super ICT skills. Being aware of our thoughts and feelings and how we process and respond to these are valuable skills for life. Da iawn Dosbarth 8 you are becoming healthy, confident individuals, ready to lead fulfilling lives as valued members of society.

In Cymraeg we have been practising our reading skills with Cymraeg Guided Reading, our book is Y Lleidr. We have been practising language skills using Cymraeg apps and activities such as scrabble, Duolingo, Gemau Cymraeg and Chwilair .

## Community News

The Hummingbird is a hwb for families that are affected by the cost of living crisis. It is a place to go where you can donate any blankets, hot water bottles, coats, scarves and gloves. It is open on a Monday, Wednesday and Saturday 11am-2pm. You will find it on Water Street. They do lots of things for families in the area. Lately they have donated 52 beds to people in the community. Please support this community hwb. They need warm coats for their Warm Coat event.

By Isabelle, Layton and Fares

As part of our community school initiative the Lower School have been out in the community litter picking.

### Flu Vaccine

Children at **Sant Elfod** will be offered their flu vaccine at school on **7th November 2023**. Please make sure you have completed and returned a consent form for your child.

Flu can be a very unpleasant illness for children. It can lead to serious problems, such as bronchitis and pneumonia, and severe illness.

Children catch and spread flu very easily. Vaccinating them also protects other members of your family who are vulnerable to flu, including older relatives and people with underlying health conditions.
